

Toota RunFlat Lubricant

Product Sheet

Long-life RunFlat grease for military run-flat systems. Applied once at installation, it slashes friction between the tire carcass and polymer insert during deflated operation — protecting both components and extending run-flat range.

Applicator Tube

Product	Toota RunFlat Lubricant — Applicator Tube
SKU / MPN	TTGR3810
Volume	11.5 fl oz (340 mL)
Format	Standard caulk-gun cartridge
NSN (Alternate Item)	2640-01-419-6200
Application	Single installs and field top-offs
Price	\$49.99 USD

55-Gallon Drum

Product	Toota RunFlat Lubricant — 55-Gallon Drum
SKU / MPN	TTGR2790
Volume	55 U.S. gallons
Format	Bulk drum — depot and fleet supply
NSN (Alternate Item)	2640-01-457-5552
Application	Depots, assembly lines, fleet-wide programs
Price	\$7,049.00 USD

Product Features

01

Long-Life Formulation

Stable under sustained run-flat heat — won't break down during extended deflated operation.

02

Applied Once

Applied at installation — no in-service maintenance required.

03

Dual Protection

Protects both tire carcass and polymer insert from friction damage.

04

NSN-Qualified

Alternate item to NSN 2640-01-419-6200 (tube) and 2640-01-457-5552 (drum).

Order lubricant for your fleet.

Government and volume orders welcome. Available with every RunFlat order or supplied separately for your existing fleet program.
